EXHAUSTION OF ADMINISTRATIVE REMEDIES

31. Plaintiff has used the prison grievance procedure to try to solve his problem. He presented the facts relating to my claim in the state prisoner grievance procedure.

STATEMENT OF CLAIM

32. Plaintiff re-alleges and incorporate by reference paragraphs 1-32 here-in.

33. At all relevant times herein defendant(s) were "persons" for purposes of 42 USC section 1983 and acted under color of state law to deprive plaintiff of his constitutional rights as set forth more fully below.

FACTS

34. On the dates of November 7th, 8th and 10th, 2016, while in Downstate Correctional Facility transit I refused to go on the draft to Upstate Correctional Facility.

cont'd

pg. 11

35. Every time I refused I would show the sergeant the self-inflicted cut on my arm I sustained my last time at upstate and told him I'm not going back there to go through what I went through again.

36. I received a misbehavior report every time I refused and on November 9, 2016, while still in Downstate I wrote Downstate Office of Mental Health explaining that I suffered a psychological breakdown last time I was in Upstate, where I self-mutilated myself and before I go through that again I'll kill myself if I'm returned there.

37. On November 10, 2016, OMH Social Worker Sullivan informed me mental health received my letter and she would call me out to speak with me on Monday November 14th.

38. On November 11, 2016, security staff informed me I'm going to upstate and if I refused this time they'll drag me out, so I reluctantly went under duress back to Upstate.

39. Upon arrival at Upstate, I failed the initial suicide screening and was placed on 1-on-1 suicide watch

cont'd

pg. 12

40. While on suicide watch, I refused to eat or drink water for six straight days (November 11-17).

41. During my hunger/water strike I told defendants Kemp, Kumae, Mullens and Danforth that I'd rather die than go through losing my mind again in this facility again.

42. Defendant Kemp told me didn't you sue me already and now your back here. I don't care what you have to say I'm retiring next year and you could starve to death or die of dehydration for all I care.

43. Defendant Danforth came to my cell in her capacity as the Hunger Strike Coordinator. I showed her my arm to emphasize what happened last time I was in upstate and told her I'd rather die than go through losing my mind again. Her response was Shu is sick and you not going anywhere and showing me that scare means nothing to me.

44. On November 17, 2016, defendant Kumae came to my cell and told me he spoke with defendants Kemp, Danforth and Central Office and told me they are aware of my situation and I will not be returning to upstate, once I'm sent out for evaluation. Upon hearing this I ended my hunger/water strike, but it turned out to be a l.e.

cont'd

pg. 13

45. Defendant Kumar knowingly lied to me while I was suicidal and on hunger strike.
46. On November 18, 2016, I was sent to Sullivan Residential Crisis Treatment Program.
47. On November 21, 2016, I was seen by Dr. Mahmud and Osman Yildiz.
48. At this initial meeting they produced the letter I wrote while in Downstate to Downstate MHN. I confirmed yes and reiterated what was in the letter. That I suffered a mental breakdown last time I was in that place (Upstate) and I refuse to go through that again and I'll kill myself if I'm returned there.
49. On November 22, 2016, I seen Dr. Mahmud and Osman Yildiz again and reiterated to them that if I'm returned there to Upstate I'll kill myself because I lost my mind last time I was there and self-mutilated myself in that horrible place.
50. On November 23, 2016, I seen Osman Yildiz and reiterated to him again that Upstate drove me crazy and I can't go through that again and if I'm returned there

conf'd

Pg. 14.

I'll K.I.LL myself.

51. All Dr. Mahmud and Osman Yildiz did was prescribe me medication and discharge me on the 23rd to be returned to Upstate.

52. On November 25, 2016, while in Sullivan SHU, I stopped MHA social worker Caela Stenbogher on her rounds.

53. I asked defendant Stenbogher my status, whether I was staying there or being transferred ~~soo~~ somewhere else and she said you level 3 and going back to Upstate.

54. I then proceeded to show defendant Stenbogher the self-mutilated cut on my arm and told her this happened last time I was there and before I go through that again I'll K.I.LL myself if I go back there. She wrote something down and walked away.

55. Despite my hunger strike and water strike for an suicide watch for 6 days at Upstate (November 11-17, 2016) and my pleas to not return to Upstate because of post trauma where I self-mutilated myself and would K.I.LL myself, if I'm returned there, my pleas were ignored by T.M. Kemp, DSA Anuradhi, Dr. Kumar, Dr. Mahmud, Osman Yildiz and Caela Stenbogher.

cont'd

PG 15

56. On November 29, 2016, I was returned to upstate.

57. On December 1, 2016, while at upstate I swallowed a razor to kill myself.

58. After swallowing the razor I was sent to the outside hospital where I refused treatment by not letting them remove the razor.

59. I was returned to ~~the~~ upstate from the outside hospital and placed back on 1-on-1 suicide watch with C.O. Keating watching me.

60. While on this watch I had an anxiety attack and started walking back and forth banging my head against the wall repeatedly to kill myself and screaming get me out of here.

61. While I was banging my bleeding head into the wall continuously the Unit Chief Kemp stood there smiling while C.O. Keating who was watching me on 1-on-1 suicide watch laughed and screamed harder with other officers, sergeant and Capt. Kelch.

cont'd

Pg. 16

Q2. The medical staff eventually came to my cell and Nurse Mullens just watched laughing and writing into a log book.

Q3. Dr. Kumar and another unknown health off. cal arrived when I heard Dr. Kumar tell C.O. Keating "leave him in there and don't do anything until he busts his head open or knocks himself out."

Q4. I continued self-harming myself and Unit Chef Kemp, S. Marcelli, Dr. Kumar, Nurse Mullens, C.O. Keating, Capt. Kelch watched me bang my head against the wall for 1 hour and 12 mins (see Exhibit A)

Q5. Despite me bleeding from my head and blood all over the walls while banging my head against the walls they did nothing.

Q6. I eventually went unconscious where I remained laid out on the floor without medical attention for 15 minutes. (See Exhibit A)

Q7. I was finally revived and rushed to the hospital via ambulance for CAT scan and surgery to have the razor removed.

Conf'd

pg. 17

68. To this day I have a big scar on the top of my head due to the deliberate indifference of Upstate staff.
69. I remained at Upstate on suicide watch until December 5, 2016, when I was sent to Clinton Residential Crisis Treatment Program (RCTP) in the mental health unit where I remained until December 27, 2016.
70. While in Clinton RCTP I was denied adequate mental health treatment due to racial discrimination because I was black.
71. While in Clinton RCTP I was seen by Nurse Practitioner Sawyer about 3 times and informed him I was still suicidal after being incarcerated 18 years and couldn't take it no more.
72. I also seen social worker M. Law about 3 times and informed him of the same thing.
73. After telling defendant Sawyer and Law this I was just returned to the strip cell without any treatment or plans for treatment.

conf'd

p2. 18

74. After telling them I was still suicidal and my recent suicide attempts of swallowing a razor and banging my head against the wall until I was unconscious and hospital-like hospitalized, defendants Sawyer and Law had me remain in a strip cell in RCTP for 22 days without seeing a doctor (psychiatrist).

75. All the while I'm in Clinton RCTP I'm seeing multiple white prisoners similarly situated receive treatment and referrals to mental health programs and Central New York Psychiatric Center, while myself and other black prisoners remained in strip cells in RCTP without any adequate treatment.

defendant Sawyer

76. On the date of December 21, 2016, I came to my cell and asked me why I didn't come out to speak to him and how I'm feeling. I responded "I feel the same as I've been feeling since my admission which is suicidal and I'm tired of you asking me the same questions because nothing has changed."

77. Defendants Sawyer and Law denied me adequate mental health treatment by falsifying progress notes by not really documenting what I'm telling them and reporting things like having a history of substance abuse, when I

conf'd

pg. 19

never did drugs or alcohol and stating things I never stated to justify their denial of my treatment and racial discrimination and denial to see a doctor (psychiatrist) after multiple suicide attempts. (See, Exhibit B)

78. On December 21, 2016, approximately five minutes after telling defendant Sawyer cell's side I'm still suicidal, defendant Devins comes to my strip cell w/ my clothes in a bag and tells me I'm being discharged.

79. After receiving the plastic bags and clothes I proceeded to dress.

80. After dressing I proceeded to rip the plastic bag to a reasonable size so I could place it over my head and kill myself.

81. I then laid on my bed, placed the coat over my head and proceeded to tie the bag over my head.

82. After that all I remember is coming up for air and bumping heads w/ C.O. Devins and immediately being punched by C.O. Devins and C.O. H.H.s upon my face and body.

cont'd

pg. 20

83. I was then thrown off the bed to the ground face first, where I was kicked and stamped upon my back and legs, my boots and socks were removed and the bottom of my feet beat with a baton and my ^{left} big pinky being turned the wrong way. This was done by defendants Devins, H. Its, Lamay, Bez. o, and multiple unknown officers that responded to the incident.

84. This assault occurred in RCTP OBS (observation) cell 12 and the top of my head was gushing with blood from bumping heads with defendant Devins and being repeatedly hit on the head and being thrown face first into the ground.

85. After beating on me in the RCTP I was taken downstairs to the facility hospital by defendants Bez. o, Carter, and Lee and placed in Hospital Room #6.

86. After entering room 6 a Lieutenant enters and the door is closed when I'm told to step to the wall in the corner. At the time I'm handcuffed behind my back. The Lieutenant then says "was he talked to" and defendant Bez. o responds "he was talked to upstairs." The Lieutenant then states "I don't like the fact hes able to stand he could use some more talking to." At that time defendants Carter and Lee take me off the wall and proceed to re-in-

conf'd

pg. 21

blows all over my body.

87. They assaulted me upon my torso for about five straight minutes while I'm defenseless.

88. I'm then put back against the wall with my face facing the wall when the Lieutenant then begins to ask me questions. Every time I start to answer C.O. Lee takes his fingers and like a vice grip starts choking me saying answer the fucking question. At the same time C.O. Carter would squeeze my testicles. This happened about four different times. Finally, the Lieutenant said that's enough the camera will be here in a minute.

89. I was examined by medical and returned to suicide watch in RCTP and placed in OBS cell 2. (see Disk at Exhibit C). Upon my return I was denied lunch & dinner by the officers on duty in RCTP.

90. During the evening med run on December 21, 2016, I informed RCTP nurse Mary Ellen Mahaffy that the officers aren't feeding me and nothing was done by nurse Mahaffy.

conf'd

PG. 22

91. On the date of December 22, 2016, I was denied breakfast by the officer serving breakfast in RCTP and during the morning meal run I informed RCTP nurse McGraw I was not being fed by the officers and nothing was done by nurse McGraw.

92. On December 22, 2016, I was denied lunch and dinner by the officer serving lunch and dinner in RCTP.

93. On December 22, 2016, I informed RCTP nurse McGraw again that the officers are refusing to feed me and can she repeat this so I could eat but nothing was done.

94. On December 23, 2016, I was denied breakfast by the officer serving breakfast in RCTP and during the morning meal run I informed RCTP nurse R. Bryant and Social Worker Lani the officers are refusing to feed me and could they do something because I haven't eaten since breakfast on the 21st. Again nothing was done.

95. On December 23, 2016, I had to basically crawl to the interview room due to the injuries sustained due to the beating I received on December 21st, whereas I informed the unknown woman Nurse Practitioner that the officers are trying to starve me to death because they haven't fed

cont'd

pg. 23

me since they beat me on me on December 21st and I fear they will come in my cell and kill me. I was then sent back to obs cell 2 and denied lunch and dinner by the officers serving lunch and dinner in RCTP.

96. On December 23, 2016, during the evening med run I informed RCTP nurse R Bryant I'm not being fed and could they do something. My pleas were again ignored.

97. On December 24, 2016, I was denied breakfast, lunch and dinner by the officers serving breakfast, lunch and dinner in RCTP.

98. On December 24, 2016, during the morning and evening med run I informed the RCTP nurse on rounds I was being starved by the officers and again nothing was done.

99. On December 25, 2016, I was denied breakfast, lunch and dinner by the officers serving breakfast, lunch and dinner in RCTP.

100. On December 25, 2016, during the morning med run I informed RCTP nurse Brenda Maurice the officers are refusing to feed me and I haven't eaten in 4 days.

cont'd
my pleas were ignored.

pg. 24

101. On December 25, 2016, during the evening med run I informed the RCTP Nurse I haven't been fed in 4 days. Again my pleas were ignored.
102. On December 26, 2016, I was denied breakfast, lunch and dinner by the officers serving breakfast, lunch and dinner in RCTP.
103. On December 26, 2016, I informed RCTP nurse R. Bryant during the morning and evening med run I was being starved by the officers as I haven't eaten in 5 days and could you please do something so I could eat. My pleas were again ignored because I still wasn't given anything to eat.
104. On December 27, 2016, I was denied breakfast by the officers serving breakfast in RCTP.
105. On December 27, 2016, right after I was denied breakfast I was put in a van and transferred to Auburn Correctional Facility where I received medical care for the injuries sustained due to the brutal staff assault I endured at Clinton RCTP on December 21, 2016.

cont'dpg. 25

106. I was not fed by the C.O's during my stay in RCTP OBS 20011 which was from December 21 - December 27, 2016. I was denied a total of 8 meals and had to live off water from my sink. This wasn't an isolated incident ~~as~~ because starvation is a common occurrence in Clinton RCTP as a form of punishment.

107. While in RCTP OBS cell 2 my feet swelled up with a throbbing pain due to the baton being beat on my bare feet on December 21, 2016, whereas I had to crawl to the toilet because I couldn't walk. Furthermore ^{Also,} I received no medical treatment for my swollen feet, swollen pinky finger or sore back while in ~~OSS~~ OBS cell 2. All my injuries were caused by the assault of December 21, 2016, by done by defendants Devens, Hiltz, Lamay, Bezio, Carter and Lee.

108. Furthermore, while in Clinton RCTP from December 5, 2016 to December 27, 2016, I wasn't given a shower, toothbrush, toothpaste and a change of smock once.

112. A. Issue a declaratory judgment stating that:

1. The physical abuse of the plant.^{ff} by defendants Devens, H.H.S., Lamay, Bez.o, Carter, Lee, violated the plant.^{ff}'s rights under the Eighth Amendment to the United States Constitution.
2. Defendants Y.I.D.Z, Mahmud, Stenbooghe, owed plant.^{ff} a duty of reasonable care to protect him from the unnecessary and wanton infliction of pain he suffered by intentionally denying access to mental health care; that the denied treatment was necessary and plant.^{ff}

cont'd

pg. 28

was harmed by the denial of treatment constituting deliberate indifference to the plaintiff's need for a serious mental health need in violation of Eighth Amendment.

3. Defendants Yildiz, Mahmud, Stenbooghe, Kemp, Marcelli, Danforth, Kumae, Mullens, breached that duty by willfully and maliciously returning plaintiff to Upstate; with the knowledge that such confinement would aggrivate his mental health was so injurious to plaintiff that it amounts to a constitutional violation, reflected deliberate indifference and cruel and unusual punishment under the Eighth Amendment of the United States Constitution.

4. Defendants Kemp, Marcelli, Kumae, Mullens, Keating, Ketch and plaintiff a duty of reasonable care to protect him from himself, plaintiff was harmed by denial of treatment constituting deliberate indifference to the plaintiff's need for a serious mental health need ^{and medical needs} in violation of Eighth Amendment.

constitUTIONAL VIOLATION, reflected deliberate indifference
under the EIGHTH Amendment of the United States
Constitution.

7. The breach of duty resulted in damages: i.e., further
diminishment of plant. ff's mental health causing an
unnecessary and wanton infliction of pain when plant. ff
swallowed a state issued razor and banged his head against
the wall for 1 hour and 12 minutes until he went unconscious.

8. The breach of duty proximately caused the damage to
plant. ff w/ th the intentional denial of mental health treatment
when plant. ff had a serious mental health need and
defendants knew that plant. ff faced substantial risk of
serious self-harm if returned to upstate and disregarded
that risk by failing to take reasonable measures to
abate it.

Cont'dpg. 30

B. Award compensatory and punitive damages:
